

# Books on Wheels Program

## What is Books on Wheels?

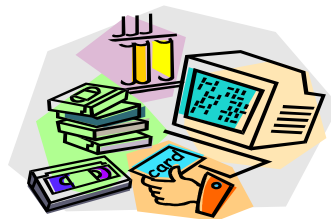

Books on Wheels is a service that brings the library to you when you are unable to get to the library yourself due to illness, disability, or if you're a caretaker who is unable to get to the library.

Either a volunteer from the library or the delivery person for the Pine/Strawberry Senior Dining Room (Meals on Wheels Program) will deliver items to you. Arranging for this service is very simple... You can either call the library where staff from the library will ask you some questions regarding your likes and/or dislikes in reading, your favorite author, type of genre, your style of movies and maybe what type of magazines you would like to read. This should not take more than a few minutes to complete. Or, simply fill out the enclosed form and have the Meals on Wheel driver return it to the library and a library staff person will contact you.

## Books on Wheels brings...

- Books in regular and/or large print
- Audio Books
- Magazines
- DVD's/Videos

## Is there a COST?

There is no cost for patrons of the Pine/Strawberry community. The program is provided free of charge through this library.

## How soon will I get the items?

Our goal is to serve you as quickly as possible. A schedule will be set up at the time of registration.

Remember, this is not only a great way to make use of your public library, but it's also a chance to make a new friend? And, it's absolutely FREE!

You can modify your reading or listening choices at any time or discontinue this service by contacting the library at 928/476-3678.
